

10th Trudge Informal Thanksgiving Special

Friday:

It's a **Rubik's Cube Party** at 1207 Hutton St! Don't forget: dress up in clothes of differing solid colors (i.e. red sox, white pants, blue shirt, orange hat, etc.). When the game begins, the object is to trade clothes with people throughout the night in order to get into clothes of one solid color (i.e. all red).

The usual games of imbibery will also be sprinkled throughout the evening— team yacht races, extreme turtle style drinking, and everything else your mother warned you about.

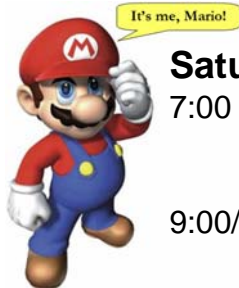

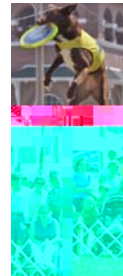

The grill should also be fired up with eats.

Wargames to honor the birthday boy.
